

## **FROM THE CELLAR**

We've enjoyed the process of compiling some of our favorite producers' wines from some of our favorite regions of the world. This list will change frequently as we continue to explore, and we look forward to sharing our discoveries.

There are many more bottles to be had than what you see here, so if you're looking for a particular vintage, cru, or producer, let's talk about it!

We're always here to help. Don't hesitate to ask. Happy hunting!

We include an automatic 20% service charge.

## LOCAL HIGHLIGHT

# The Eyrie Vineyards

Now in its sixth decade, The Eyrie Vineyards continues to lead the way in the Willamette Valley. It's outstanding cuvées include not only Pinot Noir and Chardonnay, but also innovative varieties like Trousseau and Chasselas. A long history of regenerative agriculture, and a light touch in the winery, result in wine that age beautifully at every level.

Eyrie was founded in 1965 by David Lett, who was soon joined by his wife Diana. Son Jason now builds on the past with the help of the Garcia and Hernandez families. Production remains small, about 9,000 cases a year from the estate in the Dundee Hills.
